

Certificate of Good Manufacturing Practices

On the basis of the inspection carried out, we certify that the site indicated on this certificate complies with Good Manufacturing Practices for the dosage forms, categories and activities listed in Table 1.

1. Name and address of site: Pars Isotope Company, North Karegar Street, Tehran, Iran.

2. Manufacturer's license number: D/665/40066

3. Table 1:

Dosage Form(s)	Category(ies)	Activity(ies)
Powder, Lyophilized	Radiopharmaceutical Kits	Production, Quality Control, Packaging
Injectables	Radiopharmaceutical	Production, Quality Control, Packaging
Oral Solution	Radiopharmaceutical	Production, Quality Control, Packaging
Capsule	Radiopharmaceutical	Production, Quality Control, Packaging

The responsibility for the quality of the individual batches of the pharmaceutical products manufactured through this process lies with the manufacturer.

This certificate remains valid for one year after the date of issue. It becomes invalid if the activities and/or categories certified herewith are changed or if the site is no longer considered to be in compliance with GMP.
